PRINCIPAL'S REPORT

What a Wonderful Day – The Creative Arts Festival Day was a wonderful day in so many ways. The children all performed so well and thoroughly enjoyed the experience. It was also great to see the number of parents present on the day. Can I thank all the parents for their participation on the day and the teachers for their outstanding effort.

NAPLAN – results were distributed to parents of Years 3 & 5 today. If anyone has any questions of their child’s achievement please discuss them with your child’s teacher.

KINDY ORIENTATION – Today our school’s orientation started. There weren’t too many tears. The program sees all children starting this week and continuing for 4 weeks before the parent meeting in week 6 of term.

YEAR 6 CAMP – Last week the Myuna Bay camp went without a hitch. The children had a great time. Although there were many exhausted children at the end of the week, they all had fun stories to share. Can I thank Mr Mungovan, Mrs Webber, Mrs Holtznagel and Mrs Martin for giving up their time with their families to support the children of our school.

PROPERTIES:

Demountable removal – The demountable at the front of the school (which currently has fencing around it), will be removed in the coming fortnight.

Installation of IWB’s – The installation of the interactive whiteboards in the staffroom and the new classroom for 2014 is complete.

Fencing – around the gardens will take place in November.

Uniform Shop – The installation of shelving and bars on the windows will take place over the next 6 weeks.

Library Shelving – The installation of the compactus in the library to store reading resources is complete.

Technology – 17 iPads with their charging unit have just arrived and are planned to be in use by next week.

Storage Shed – To begin later this week. Located behind demountable to be relocated.
