CHELSEA KING
(Dapto Public School)

Chelsea is a Year 6 student at Dapto Public School. During 1999, she represented Dapto District in Basketball, Netball, Cross Country and Touch. She was selected in the South Coast Netball team for the South Brisbane Exchange and received the coaches' award for her outstanding performance during the tour. She was again selected to represent her Area in the New South Wales PSSA Netball Championships held at Bankstown.

However, it is in Basketball that Chelsea has achieved her greatest success. Having been chosen to represent South Coast at the New South Wales PSSA Championships in Albury, she helped her team achieve a creditable second placing. Her tremendous skill and team work were rewarded with selection in the New South Wales PSSA team. Area coach, Deb Sansom, had these glowing comments, "Chelsea made an outstanding contribution to the South Coast Primary Girls Basketball team. She showed excellent sportsmanship, great talent and a positive attitude towards all aspects of the carnival. She is a great sportswoman and team member."

As a member of the State Basketball team, Chelsea had a major impact at the National Exchange in Ballarat, helping New South Wales gain second place. In supporting Chelsea's nomination for a Blue, New South Wales PSSA coach, Peter Banks wrote..."it gave me great pleasure to be of assistance in the nomination of Chelsea. Whilst away at the National Exchange, Chelsea was an outstanding representative for New South Wales. Her efforts on and off the court were of the highest standard. She won the respect of team mates and opposition through her determined play. Whilst being billeted at my school, she certainly brought credit to her school and family."

Dapto Public School is very proud of Chelsea's achievements as evidenced by Principal, Ann Hensiker's endowment, "Chelsea possesses exceptional sporting ability and is highly regarded by her peers and teachers. A South Coast Blue would be a fitting reward for her outstanding efforts." Chelsea King is a dedicated and tenacious competitor with exemplary behaviour and attitude. Her representative achievements clearly endorse her as a suitable recipient of an Area Sporting Blue.
