

K-6S Interschool Mini Olympics Day

On Monday 13th August , K-6S and Special Ed classes from Hayes Park, Towradgi and Fairy Meadow Demonstration School (FMDS) had an awesome Mini Olympics Day at FMDS. We went on a mini bus with our friends from Hayes Park and we were all very excited. First we played in the classrooms to get to know our new friends. After lunch, we put our flames on the cauldron, sang „I Am Australian “ and marched around in our Opening Ceremony with the posters we made to represent our schools. We started our Olympic Sports with a Sprint race in our age groups. Then we did Ten Pin Bowling, Javelin, Shot Putt, Volley Ball and Equestrian. We loved all the Sports and had HUGE smiles on our faces all day. The day came to an end with a presentation ceremony for our certificates and Gold Medals. We really enjoyed meeting new children from Towradgi and FMDS and look forward to seeing them again soon.
