

Some very special stories written by students in 4/5H about their Mothers....

My Mum

"My Mum's name is Michelle. She is 36 and is very pretty. I love her so so much. My Mum has blue eyes that sparkle like diamonds. She has blondy gold hair and is smaller than lots of people, which is kind of good. She loves to decorate her nails. My mum is always looking for new clothes, which is not so great for me. My mum loves to play soccer but she does not like watching it. My mum loves reading and loves watching sad movies so she normally cries, which is annoying but very cute! Ha Ha Ha! Mum has a job that she loves, but not as much as us. Most afternoons she is really stressed. My mum is special to me because she makes me feel safe and special. I love her and I always will. Mum is the best, chuck out the rest!"

She has short, wavy brown hair, beautiful brown eyes and a very kind heart. She is WAY taller than me! She likes to wear make up but doesn't like nail polish. She wears pretty clothes. My mum has SERIOUS fashion taste! She likes to read books and watch movies. The books that interest her are factual. I'M not sure what movies interest her but I for one like Harry Potter. She doesn't really like shopping but let me tell you she is AWESOME at it! My mum is so special to me because she does so much for me. I really wish that I could be a better daughter to her! She is also very special to me for her kindness, helpfulness, generosity and so much more! I love the world's best mum SO much! "

Mum

"My Mum's name is Michelle Brown and I love her very much. She loves me very much as well. My Mum loves painting her nails black and purple. She has big brown eyes that shine like jewels and beautiful dark, long, shiny hair that glows in the light of the sun and the moon. My mum loves being fashionable in the presence of everyone. Mostly with her glittery leggings and an awesome top every time! My mum has a very wonderful personality and an amazing sense of humour. She loves laughing at my sister and dancing with Just Dance. She also loves music and scary movies! My mum enjoys going outside to play with my dogs and I. She goes to work 5 days a week and when she does she gets alone time. My mummy is very special to me because she is nice, sharing, kind and loving, put altogether! My mum is the best mum in the world.
