

Please Enjoy the following Stories Retold from Year 1:

Year 1 Excursion to Botanic Gardens

On Tuesday I went to the Botanical Gardens with my class and we got there by bus. When we got there we had to walk all the way to the house. First we went with Michael and we learnt about plants. Next we had Penny and we looked at a leopard slug.

- By Lachlan Rosser 1/2F

One day I went on an excursion to the Botanical Gardens. First we got to see the big worm farm and look at them. Then Penny dressed up as an old lady and it was funny. After that we went to another group. Then we went with Caron.

On Tuesday I went on an excursion with my class and we went on a bus. We went into a secret classroom with Penny. Then we went to see a leopard slug. The gnyah was fun to make. We saw a gorilla in the rainforest and we saw it up a tree too. When we went to the cactus room, Jorja almost fell onto a cactus but I saved her. Then we went to the lake and we saw a crocodile in the lake but it was fake.
